

# Fish Our Forty Lakes

At Camp Quetico, we provide our guests the widest range of fishing lakes of any fishing outfitter in the Atikokan/Quetico Park Area! Give us a call and let us match you up with the ideal lake for the fishing you want to do and the scenery you favor the most. Murky lakes, clear spring fed lakes, lakes with rocky bottoms and shorelines, and lakes with sandy bottoms and structures!

**Why not plan to fish a different lake every day? You could visit us on weekly fishing trips for the next five years, and never fish the same lake twice!**
